13th International Conference on Long-Term Complications of Treatment of Children and Adolescents for Cancer

June 13–15, 2013

CALL FOR ABSTRACTS
Preliminary Program
(Including Information for Registration and Housing)

REGISTER EARLY, SPACE IS LIMITED

The Peabody Hotel
Memphis, Tennessee

SPONSORED BY: ST. JUDE CHILDREN’S RESEARCH HOSPITAL
Program Overview
The 13th International Conference on Long-Term Complications of Treatment of Children and Adolescents for Cancer will focus on the exchange of innovative ideas among medical and pediatric oncologists (fellows, residents), nurse practitioners, oncology nurses, and other associated allied health professionals who, in the past, have attended from Europe, Asia, Australia, South America, Canada and the United States. The topic this year is the design of cohort studies and clinical guideline development. This symposium is designed to present the latest scientific and clinical advances regarding the strengths and weaknesses of various cohort study designs and the development and evaluation of clinical guidelines.

The topics in the program have been selected based on the suggestions and comments of participants from previous meetings. The speakers are leaders in their respective disciplines and will present up-to-the-minute information that should make for a lively and productive meeting. We will also allocate two sessions for presentation of the best abstracts.

Learning Objectives
As a result of participating in this educational program, participants will be able to:

- Describe the strengths and weaknesses of population based cohort studies
- Discuss the strengths and weaknesses of hospital registry based cohort studies
- Explain the characteristics of the Childhood Cancer Survivor Study cohort
- Describe the characteristics of the British Childhood Cancer Survivor Study cohort
- Discuss the characteristics of the Late Effects of Childhood Cancer task force of the Dutch Childhood Oncology Group (DCOG-LATER) cohort
- Explain the characteristics of the Adult Life after Childhood Cancer in Scandinavia (ALiCCS) cohort
- Describe the development and validation of guidelines
- Explain the development and maintenance of the Children’s Oncology Group Long-term Follow-up Guidelines for Survivors of Childhood, Adolescent, and Young Adult Cancers
- Discuss the development and maintenance of the Scottish Intercollegiate Guidelines Network Long-Term Follow-Up Care for Survivors of Childhood Cancer
- Describe the development and maintenance of the Dutch Long-term Follow-Up Guidelines
- Discuss reconciliation of various guidelines through the International Late Effects of Childhood Cancer Guideline Harmonization Group

Target Audience
This educational activity is planned to meet the educational needs of pediatric oncologists, pediatric oncology nurses, physicians trained in medicine/pediatrics or family practice, and other allied health professionals.

Accreditation Statement
Accreditation Information
Physicians: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME), in which the St. Jude Children’s Research Hospital is accredited to provide continuing medical education for physicians.

The St. Jude Children’s Research Hospital designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Credit Hours
The American Medical Association has determined that non-US licensed physicians who participate in this CME activity are eligible for AMA PRA category 1 credit.

Registration Fees
An early bird registration discount is offered for registrations received on or before April 1, 2013. The early bird registration fee is $450. After April 1, the registration fee will be $500. Also a reduced registration fee of $425 will be offered to non-physicians (PhDs, Fellows, NPs, Nurses). Due to limited space, early registration is encouraged.

Online registration is available on the St. Jude Children’s Research Hospital website at www.stjude.org/register.
You may also register by returning the registration form found in this booklet. All fees must be paid in U.S. currency, drawn on a U.S. bank. Visa, MasterCard and American Express are accepted for online payment. Registration forms will not be processed without full payment.

**CALL FOR ABSTRACTS: Submission Deadline: January 31, 2013**

Participants are invited to submit abstracts for review. There is no fee for submitting abstracts. Submitted abstracts will be reviewed by the Program Committee for selection of oral and poster presentations. Accepted abstracts will be published in the Conference Program Book.

**Abstract Submission Instructions**

To submit an abstract, please follow Abstract Guidelines below:

- **Electronic submission:** Submit as email attachment directly to Camille Davis, conference coordinator (camille.davis@stjude.org)
- **Paper Submission:** There are no abstract forms. Please use plain 8½ x 11 white paper, follow abstract guidelines below and submit by regular mail or express mail to: Camille Davis, Department of Epidemiology and Cancer Control, St. Jude Children’s Research Hospital, 262 Danny Thomas Place, Mail Stop 735, Memphis, Tennessee 38105-3678 (Phone: 901-595-5914; Fax: 901-595-5845)
- Abstracts are subject to review and final acceptance by the program committee and accepted for either oral or poster presentation.
- Acceptance notifications and guidelines for presentation will be sent in early March 2013. Authors of accepted abstracts who have not registered will have until April 2, 2013, to do so at the discounted registration rate (early registration is highly recommended). Please note that submitting an abstract does not register you for the meeting.

**Abstract Guidelines**

- There is no limit to the number of abstracts an individual may author
- Abstracts must be written in English
- Accepted format: Word document format, Use 10 point Arial font or larger, 250–300 word count limit
- Use a concise title. (USE ALL CAPITAL LETTERS)
- List affiliations of author(s) as briefly as possible with name, degree, hospital, city, state, country. The presenter’s name must be underscored.
- Use standard and well-accepted abbreviations
- Abstract content should be single spaced, typed in lowercase and contain:
  - Purpose of study
  - Summarized description of project
  - Results and conclusions
- The following information must be included with each submission:
  - Name of corresponding author or person to receive correspondence
  - Department/institution, city, country
  - Telephone number (if outside the US, please provide country and city codes)
  - Fax number (if outside the US, please provide country and city codes)
  - Email address of corresponding author
  - Presentation: Oral, Poster or No preference
- Questions regarding abstract submission should be addressed to Dr. Daniel Green at daniel.green@stjude.org

**Abstract Categories**

Abstracts can be submitted in the following categories: (please indicate category desired in submission):

- Artery
- Bladder
- Bone
- Genetics
- Hearing
- Heart
- Infection
- Kidney
- Liver
- Lung
- Neuropsychological
- Offspring
- Ovary
- Peripheral nerve
- Pituitary
- Psychosocial
- Second cancer
- Testis
- Thyroid
- Vision

Rev. 10/25/12
CONFERENCE PROGRAM

Thursday, June 13
2 – 9 p.m.
3 p.m.
Registration
Welcome—Daniel M. Green, MD, Conference Chairman

Session I
3:15 – 6 p.m.
Invited Speakers—Moderator: Charles A. Sklar, MD
Considerations in the Design and Interpretation of Results of Cohort Studies
Graham Colditz, MD, DrPH, Washington University in St. Louis
Childhood Cancer Survivor Study
Leslie Robison, PhD, St. Jude Children’s Research Hospital
British Childhood Cancer Survivor Study
Michael H. Hawkins, DPhil (Oxon), University of Birmingham
Late Effects of Childhood Cancer Task Force of the Dutch Childhood Oncology Group (DCOG-LATER) Study
Cecile M. Ronckers, PhD, Emma Kinder Ziekenhuis
Adult Life After Childhood Cancer in Scandinavia (ALiCCS) Cohort
Jorgen H. Olsen, MD, DMSc, Danish Cancer Society Research Center
Discussion

PROGRAM COMMITTEE

Smita Bhatia, MD, MPH
City of Hope, Duarte, CA

John Mulvihill, MD
Children’s Hospital of Oklahoma, Oklahoma, OK

Jacqueline Casillas, MD, MSHS
UCLA Medical Center, Los Angeles, CA

Kevin Oeffinger, MD
Memorial Sloan Kettering Cancer Center, New York, NY

Giulio D’Angio, MD
University of Pennsylvania, Philadelphia, PA

David Poplack, MD
Texas Children’s Cancer Center at Baylor College of Medicine, Houston, TX

Lisa Diller, MD
Dana-Farber Cancer Institute, Boston, MA

Leslie Robison, PhD
St. Jude Children’s Research Hospital, Memphis, TN

Sarah Donaldson, MD
Stanford University Medical Center, Stanford, CA

Charles Sklar, MD
Memorial Sloan Kettering Cancer Center, New York, NY

Melissa Hudson, MD
St. Jude Children’s Research Hospital, Memphis, TN

Flora van Leeuwen, PhD
Netherlands Cancer Institute, Amsterdam, The Netherlands

Grace Powers Monaco, JD
Medical Care Ombudsman Program, Montross, VA

Jeanette Falck Winther, MD
Institute of Cancer Epidemiology, Copenhagen, Denmark
Abstract Review Process
- The program committee will review the abstracts and determine the presentation (oral vs. poster) schedule and format based on the merits of the abstracts and the constraints of the program.
- **Plenary Session:** The top 24 abstracts submitted will be accepted for 15 minute oral (PowerPoint) presentations.
- **Poster Session:** Authors are expected to be at their posters on June 14, 2013 (7:00 to 10:00 p.m.).
- Notification regarding acceptance or rejection of abstracts will be made by email or by fax if no email address is provided; consequently, an accurate email address is critical. If you have not received an email notification by March 15, 2013, please contact Camille Davis (phone: 901-595-5914, fax: 901-595-5845). The decision of the program committee regarding acceptance of abstracts is final.

TRAVEL TO MEMPHIS, TENNESSEE

Nearest Major Airports
The Peabody Hotel can be reached from the Memphis International Airport.

Accommodations
Each attendee is responsible for securing his or her hotel reservation at The Peabody Hotel. Reservations can be made online at https://resweb.passkey.com/Resweb.do?mode=welcome_gi_new&groupID=13206119 or https://register.peabodyhotels.com and under “Group Reservation”, type in the Group Number 731903. You may also call the toll-free number reservations line, 1-800-PEABODY (732-2639) and give the group name and number (International Conference on Long Term Complications of Cancer, Group number--731903). The conference room rate is $169.00 USD plus tax (15.95%) and Hotel Services fee ($11.95). Reservations must be made **before May 17, 2013** in order to receive this discounted room rate. The reservation may either be guaranteed by providing a credit card number or paying the first night’s room and tax. Reservations received after May 17, 2013 will be confirmed if space is available and at current hotel published guest room rates. **Early hotel reservations are recommended.**

Please note that any reservation CANCELLED *less than three (3) days* prior to arrival date will be non-refundable.

Ground Transportation
- Rental cars are available from all major companies at Memphis International Airport
- Taxi Service is available from Memphis International Airport
- Shuttle service is also available
Registration Form

(please print and fill out entire form)

13th International Conference on Long-Term Complications of Treatment of Children and Adolescents for Cancer
June 13–15, 2013 • The Peabody Hotel, Memphis, Tennessee
